Dear all

As per MD Sir's vision we will be organising a Competition of Innovative Projects during the IITF. This will be open for both Techno and non Techno students. Projects will have to be registered by 18 December and displayed at the venue (Park Circus Maidan) on 24 December. A panel of judges from the Industry will judge the projects. Best two projects would be awarded by the Hon'ble Minister Purnendu Basu at the venue on 26 December.

This is a first round information. Detailed info sheet for circulating amongst students will be sent to you shortly.

We welcome any ideas to upscale this initiative. Your help, guidance and support will be highly appreciated.
