INSTITUTIONAL DISTINCTIVENESS

Academic Year: 2021-2022

Industry oriented skill based training programmes and internship is one the most envisioned area of the institute. The institute signed MoUs with Great Lakes E-Learning Services Pvt. Ltd., Global Talent Track Foundation (GTF) and NASSCOM for skill based training programs and intership. Under this venture, 650 students trained with skill enhancement program through Great Learning, 25 students completed skill enhancement program conducted by Accenture under NASSCOM, 440 students of final year experienced with mock personal interview and 310 students are trained with soft skills by GTF.

A significant number of final year students grabbed internship and have started on job training programs in different industries as follows:

Thoughtworks: 04

Telaverge Communication: 05

Persistent: 21

Amazon: 04

Xenonstack: 21

MAQ: 02

Tiger Analytics: 04

Pinnacle Infotech: 06

Titagarh Wagons Limited: 08

Deep Narayan Bhagat, a student of information technology has been selected for Microsoft Mentee Intern Engage 2022. Currently he is studying in 2nd Year.
