

Online Career Counselling through Alumni Talk

Inspiring Journeys & Real-World Insights

Organized by

Department of Applied Electronics & Instrumentation Engineering

Netaji Subhash Engineering College

The Department of AEIE at Netaji Subhash Engineering College will be organizing a career counselling session on **25th July 2025 at 5:30 PM**. The session, conducted online, will be entitled "**Inspiring Journeys & Real-World Insights**" and aimed to provide students with valuable career guidance through an alumni talk.

The speaker for the session is **Ms. Aaditi Chakraborty**, an accomplished alumna from the 2013–2017 batch, currently working as **Senior Application Engineer II at Johnson Controls**. The event will be coordinated by **Dr. Anuradha Saha**, Assistant Professor and Head of the Department of AEIE.

Key Highlights of the Session:

- Realistic and practical insights from industry experience
- Bridging the gap between academic learning and workplace expectations
- Inspirational career journey and success story of the speaker
- Specific guidance and tips relevant to the AEIE domain

The session will be particularly beneficial for **final year and pre-final year B.Tech students**, offering a deeper understanding of real-world challenges and opportunities. It will serve as an excellent platform for students to interact with an industry professional who once walked the same academic path.
